Remember you MUST  
convert them. If they  
will not follow you  
into the Purity, bring  
them to me. I will  
wait for thee at the  
usual spot. If I am not  
there, I will wait at  
Solitude. Do NOT  
forget to bring  
The One. She is the  
most important of  
them! Lastly, if you  
are captured, use the  
Elixer.  
Good Luck.
